

Ital Cabinets

COMMERCIAL CABINET MAKERS

Ital Cabinets is an established large-scale commercial cabinet making and joinery contractor, servicing all of Western Australia

Company Overview

Ital cabinets is a privately owned Perth based manufacturer established in 1999. During its history the company has rapidly expanded through the development and backing of many satisfied customers and leading industry partners. At our purpose built landsdale factory we have invested in the latest software technologies and precision manufacturing machinery & techniques to achieve the best quality & efficiency in meeting commercial deadlines.
